GREAT FUTURES START HERE.

BOYS & GIRLS CLUBS Day for Kids

Our members had lots of fun at Day for Kids this year! Day for Kids is a national Boys & Girls Club event that clubs all over the nation participate in. Our club had a carnival featuring a jumper, ring toss, dart throw, ping pong ball toss, pie throw, dunk tank, popcorn, and snow cones! Members and parents especially loved the dunk tank as they had the chance to dunk staff member Erika Dean, parent and police officer Bernard Davis (below), and Junior Staff member Carisma Cole.

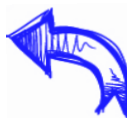

9/11/01

Staff members remembered Sept. 11, 2001 and shared their memories with club members. One group of girls made handprint flags while another group build graham cracker towers. Members looked at pictures from that day and read about it.

Below, left to right: Are'ayna Moore, Kyla Thomas, Shania Vinson, and Shaikiaya Hunt make a graham cracker tower and decorate it.

The teens work together to follow the brownie recipe (left), while Justin Pankey and Canesha Allen (above) melt chocolate for the batter.

Our teens are learning lots of new baking and decorating skills with Tim Hayes every Wednesday during Chef Club. This month they decorated sugar cookies for Sept. 11th and made brownies and white chocolate macadamia nut cookies from scratch!

RAP

We would like to thank Pastor Joseph Montgomery (above), Minister Patricia Chapman (top right), and Pastor Mozel House (right) for speaking to our members this month!

We are excited to announce that production of our very first cookbook is underway! Filled with recipes submitted by members and community members, it is sure to be a great Christmas gift for everyone on your list. It even includes pictures of our kids in the kitchen like those seen below! We expect its release in mid-November. It will cost \$15.00. Watch our Facebook page for more information.
